

Position Vacant

Civil Project Engineer

Position Information:

Position: Civil Project Engineer

About the Role: Mendi Constructions, Part of Doyle Group is seeking a Civil Project Engineer to join our team.

- Mendi Constructions
- Townsville, Northern QLD
- Civil/Structural Engineering (Engineering)
- Full time

Position Description:

An exciting opportunity has arisen for an experienced Civil Construction Project Engineer to join the Mendi Construction team based in Townsville, due to the company's strong, consistent growth in various civil construction sectors across North Queensland.

As a Civil Construction Project Engineer, you will be responsible for supporting our Project Management personnel in delivering projects on time and within budget, with a strong emphasis on quality assurance, safety, and environmental management.

Your role will require you to coordinate and monitor cost productivity, manage procurement and subcontractors, and possess high-level skills in project planning and programming.

Your Requirements:

The following experience and attributes are required:

- Tertiary qualifications in Civil Engineering
- High level verbal and written communication skills
- Demonstrated experience and ability in the delivery of civil infrastructure projects
- Proven ability to coordinate and monitor cost productivity
- Procurement and subcontractor management experience
- High level skills in project planning and programming
- Be able to work and communicate as part of a team
- Excellent attitude towards health, safety, environmental and quality outcomes, embedding this commitment in everything you do
- Previous experience on a wide range of civil engineering projects
- Knowledge of software tools and technical systems, Procore experience an advantage
- DTMR experience will be highly regarded

About us:

With over 65 years of experience in the Civil Construction industry in Townsville, Mendi Constructions part of Doyle Group offers a great opportunity for a highly motivated and dynamic individual to join our team.

Mendi Constructions, a full-service integrated company based in Townsville, delivers high-quality civil construction projects across North Queensland. We are unique due to our integration with quarries, concrete plants, and development businesses.

Be part of a dynamic team in a progressive business, and a competitive remuneration package will be offered based on your qualifications, experience, and capability.

Join the North's industry leader in civil construction.

Please send applications to our recruitment team: careers@mendi.com.au. Remember to include your cover letter and resume or CV.
