

Position Vacant

**DOYLE**  
GROUP

# Boilermaker Fabricator

## Position Information:

**Position:** Boilermaker Fabricator

**About the Role:** Mendi Constructions, Part of Doyle Group is seeking a Boilermaker Fabricator to join our team.

- Mendi Constructions
- Townsville, Northern QLD
- Welders & Boilermakers (Trades & Services)
- Full time

### Position Description:

As a Boilermaker, you will work as a part of our workshop team to ensure our large fleet is maintained and available. You will be reliable and professional, with the right attitude to get the job done.

### Your Responsibilities:

- Medium to heavy fabrication of plant components, machinery and structural steel
- Welding, repairs and maintenance of machinery and fixed plant
- Arc-air gouging of major components
- Flux-core welding repairs on mobile equipment
- Refurbish/rebuild loader/excavator buckets, truck trays, excavator booms and sticks.
- Work in and maintain a clean working environment

### Your Role:

- \$40-50/hr + penalties + bonuses + super
- Company field service vehicle provided
- Permanent full-time position with an immediate start
- 50+ hour work week (plenty of overtime available)

# Your Requirements:

**To be successful in this role you should have:**

- Trade certificate qualified
- Have a high level of welding knowledge and skill set (Stick & MIG essential, TIG desirable)
- Quarry experience desirable
- Have efficient time management skills
- Have a high level of knowledge and experience to be able to problem solve
- Be able to work independently when given tasks
- Have a MR class drivers license and white card
- Working at heights permit and confined space tickets
- Willing to work remotely if required
